## **New Exhibition Date Announcement of CIOE 2022 (the 24th China International Optoelectronic Exposition)**

Dear Exhibitors, Visitors, and Partners,

CIOE 2022 (the 24<sup>th</sup> China International Optoelectronic Exposition), which was originally scheduled to be held on September 7-9, 2022, could not take place as scheduled due to the ongoing COVID-19 situation in Shenzhen.

In accordance with Shenzhen epidemic prevention regulations, coordination with the relevant government departments, venue operators, and other related parties, and on the premise of protecting the health and safety of all exhibition participants, we decided to reschedule the **24<sup>th</sup> China International Optoelectronic Exposition (CIOE 2022) and concurrent activities to December 7-9, 2022, at Shenzhen World Exhibition and Convention Center.**

We apologize for the inconvenience caused by the postponement and thank you for your understanding, support, and cooperation. We will do our best to advance the exhibition preparation work to create a safe, professional, and wonderful industry gathering for all optoelectronic peers.

We are looking forward to meeting you again in Shenzhen in December!
